1

It is our mission to assist consultants in the direct sales and party plan profession to develop knowledge, skills, and confidence to grow their business and financial success. Our values of connection, conversation, collaboration and community underpin all that we do.

Connection - introducing consultants from a range of companies to each other with the vision that when we rally together as a united group in the customers' eyes we benefit from the strength and viability of all obtaining rewarding careers in this profession.

2

Conversation - getting to know people in our local area that can assist in building networks; introducing us to new customer bases; sharing ideas, best tips and encouragement on growing your business. Cheering on wins, rank advancements and the achievements of our fellow network members.

3

Collaboration - taking opportunities to refer business to members, hosting joint events, creating strategic alliances that help leverage awareness of our businesses. To become customers of each other, sharing an enthusiasm for profiling our network to others.

4

Community - invoking pride and excellence in our roles and profession; being united as a first choice shopping destination and building expertise and prosperity in the communities where we live, connect and support.

Savvy CIRCLES

CONNECTION • CONVERSATION
COLLABORATION • COMMUNITY

savvycirclesnetwork.com

Our mission at Savvy Circles Network® is to connect, educate and promote direct sales/party plan professionals.

Our network provides both live Connect Circle events and an online community place where we come together to be encouraged, empowered and educated in areas of personal leadership and business development. We foster members to build 'know, like and trust' relationships that yield mutual benefit and tangible results.

We hear numerous stories of new consultants, monthly booking increases and targets being met. At each Connect Circle, members report on business that has been created between each other. As at May 2016 nationally \$1.1 Million in sales have been generated, 850 parties held, 665 member referrals have been given out and 228 partners joined members teams. What a great support to local economies and homes across Australia.

We are very proud of our role the facilitation of our local area hosts and willing contribution of our Savvy Members in creating these results.

Representatives in the direct sales industry can sometimes feel isolated. Our network can provide a strong sense of self and community amongst like minded individuals. United, we are an impressive team of advocates for the direct selling profession to become the preferred choice for consumer products and life blending careers. This collaborative spirit will bring increased fulfilment and prosperity to family homes and therefore more harmony into our local communities. "A rising tide floats all boats."

I'd love to encourage your choice to become part of this with us. I want to celebrate you, your company, our industry and the amazing success to come as a leading profession!

Always believe something wonderful is about to happen.

Since joining Savvy Circles Network® I have seen significant and consistent growth in my business and in myself. I've learned how to push and stretch myself: what that looks like and how it feels. I love being able to take that back to our Connect Circle, to see us all grow together, learn from and support each other.

The mentoring we receive from Sharyn Swan is invaluable; showing us how to treat our businesses professionally, as a bona fide alternative to a traditional job. It has meant stepping up, growing up and, while having fun, taking it seriously. It's been a hugely empowering journey.

Since becoming part of Savvy Circles Network® (and also attending the Savvy Academy Programme) my personal and business growth has sky rocketed. I loved what I saw, and applied to become a Local Area Host. In this role I've learnt so much, meeting new people, made amazing new connections and friendships, and increasing my confidence in facilitating events, using the provided business education topics to extend my growth. Funny these experiences have made me a better mentor to my team, better mum and wife to my family.

I love Connect Circles, in fact I love that I have grown so much that I have something to offer our members and guests with "ideas" and "take aways" each time we meet. I am truly grateful to have become both member and host of Savvy Circles Network®, and amazed to be part of Sharyn Swan's mentoring and vision into my life. I encourage you all to choose to be with us.

I joined Savvy Circles Network® 2 years ago as a way of meeting new people. WOW I've never looked back. I've met wonderful people and made solid long term friendships with many members. This special group has listened to me when I was struggling in both my personal life and with my business; they offered support and encouragement to keep going to achieve my goals. I look forward to our meetings and have learned so much from others and from the discussions we have. Meeting Sharyn Swan and attending her Mastermind Group was inspiring. I am honoured to now be hosting Frankston Connect Circle. The Savvy 4 pillars of Connection, Conversation, Collaboration, Community have inspired a collaborative project venture later this year!
