Terms and conditions of Membership are outlined on the Savvy Circles Network® website.

Raising the impression of our Profession, starts on the inside. How we treat each other, will radiate to the public. We encourage our members, grow their inspiration and foster new confidence, which brings further prosperity into their business. This ripples a positive impact to the Direct Sales companies and leaders having a more engaged and productive salesforce, which positively impacts our Industry with greater depth & strength and attracts people to us, with ease.

Our culture is built on the 4C's

1

**Connection** - bring people together from our Industry, feel a common excitement being a part of this wonderful Profession. Being willing to stand together in a united spirit. Getting brands 'seen'.

2

**Conversation** - being more visible to each other, learning about other products and services can create referrals between members. Getting better at building relationships, rather than 'pushing sales' for longevity success. Being a bring to the table person, paying it forward. Contribution is Key! Sharing ideas and inspiration as we all wade through our own journey in becoming entrepreneurs!

3

**Collaboration** - opportunities for joint ventures, alliances, shared events, referrals, that help leverage awareness of more products & services of our Profession. Creating best practices amongst representatives where iron sharpens iron to become our best selves.

4

**Community** - invoking pride and increased excellence of our Profession, the Savvy Vibe Tribe sharing together as a Direct Sales community. Feeling the expansive success of our Industry, not just a company segment. Encouraging increased visibility as contributors in local areas with communities. Members 'flipspending' creates more buy local prosperity.

**Savvy Circles Network®** is a collaborative community of intentional Direct Sales Entrepreneurs who are 'bring to the table' people aligned to our values of integrity, honesty, credibility with a heart for delivering excellence alongside an abundant spirit that fosters genuine commitment and enthusiasm for both their organisation and our Industry.

Our Members are confident advocates who purposefully seek and encourage those same minded people to join forces with us in our culture of the 4C's - 'Connection, Conversation, Collaboration and Community that together we continue to elevate the reach of each member, and the impression of our Profession.'

Our Members are people who value community over competition.

We want to deliver to the customer a full circle service, where we can move their spend across our Industry of products. She may start by purchasing skincare, that member then refers her to another for her homewares needs, onto fashion & accessories, onto nutrition - drawing the customer wider across the range, and reducing her retail/generic online spend.

We encourage members to lead with this philosophy, to 'flip-spend' their existing purchases to the Direct Sales Industry, and with each other.

Our new business directory is the centre of our call to action and offers each member an advertorial webpage inclusive of image albums to engage prospects.

This teamed with our new Booking Centre we have directed over 1100 referrals so far to members! Generating \$1.6 Million dollars in sales between members, this means economic boost to local communities across the country

The release of 'Savvy Circles Network® APP' is a quick Download, to gain easy access to these services and our Event Calendar.

We offer Connect Circle events which are an opportunity for you to gather face to face for support, share in our mastermind topics, practice your pitch, share about your product range to this very warm, proactive tribe who want to encourage you.

We have an active Members Lounge on Facebook and a Livestream Connect Circle each month for those who may not have a local area circle, or have other commitments. We build conversations, share ideas, and bridge the gap of isolation that exists when you are a solopreneur. Because we are exclusively for Direct Sales People, we 'get you' and we talk the same language!

I look forward to seeing you come on board our Network, and celebrate your choice to embrace this vision and be a part of the Savvy Culture and spirit we are generating.

Always believe something wonderful is about to happen.

*Sharyn Swan*

**Founder, CEO Savvy Circles Network®**

**Mentor, Connecting the Dots for Direct Sales Women**

# Savvy

I sat on the fence about the Savvy Circles Network for a while, but I'm so glad I took the plunge and became the host for the Bendigo Connect Circle!

I love networking with like minded people and felt this was something that was lacking in this area. Since our first one in March 2016 I haven't looked back!

Thank you Sharyn Swan for allowing me to be a part of your vision!

**Nicole Taylor**  
Younique, VIC

12 months ago, I went searching for a networking group to connect with other business owners. I wanted to find like-minded people who understand what it takes to be self-employed. I was looking for a circle of colleagues where I could bounce ideas, where I would be supported to grow and I was also looking for an avenue to spread the word about my new business.

Savvy's has given me all of this and more, it's a place to learn and grow outside of your company. The monthly mastermind topics are designed to get you thinking and more importantly doing. You gain more confidence and learn new ways to present your product in a non-competitive environment where you are encouraged to share and collaborate together.

I have made amazing friendships and being a part of this group of people who are achieving what you want to achieve is the most powerful thing you can do to stay connected, motivated and focused to grow your business.

**Donna Hampton**  
Mannatech, NSW

Without a doubt this is

THE place to be if you are a Direct Selling Professional. When I first attended, I have to be honest in saying I had no idea what to expect. But it has way surpassed any expectation I would have had! Not only the perfect place to connect with other professionals who share my passion for ethics, honest, credibility and integrity within our industry, but an amazing place to learn, share, make new friends and to top it all off - build relationships that turn into business.

I am so excited about the journey ahead with Savvy that I've put myself forward as a Host! I absolutely love it and could not recommend it more. Sharyn you are a wonder! Thanks for everything you do for us all and the industry.

**Fiona Lindsay**  
4LifeResearch, VIC
